

[STANDBY Activation Code \[hack\]](#)

A screenshot of a web browser displaying the vCloud Director Appliance Management interface. The browser's address bar shows "192.168.100.38:5480". The page title is "vCloud Director Appliance Management". On the left, there is a navigation menu with "vCD Database Availability" selected. The main content area is titled "vCD Database Availability" and contains a table with the following data:

Name	Role	Status	Following
nfv-vcd-cell-2	standby	running	nfv-vcd-cell-1
nfv-vcd-cell-1	primary	running	

A red rectangular box highlights the entire table content.
